YOU CAN JOIN THE BEST TEAM IN BRIGHTON

Well, we like to think so anyway.... You don't need to be great (or even very good) to play Sunday non league cricket against other local clubs. We are looking for new players to swell the ranks of the club. If you want to play email brightonbeamers@yahoo.co.uk or call simon on 07768978966. Nets start in April.

We play 20 odd games a year, and go on 2 tours. We particularly welcome overseas players and those occasionally willing to make tea.
